

WE'RE HIRING

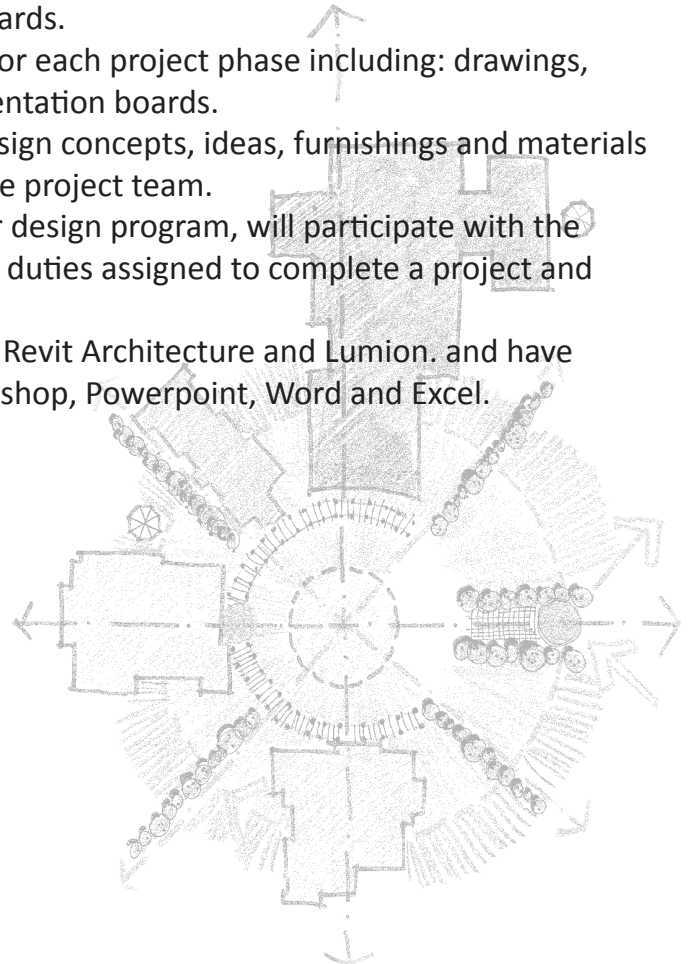

INTERIOR DESIGNERS

OVERVIEW

Dyron Murphy Architects, P.C., a Native American-owned firm in Albuquerque, New Mexico, has an immediate opening for a full-time Interior Designer with a minimum of two years experience. This position requires design and architectural skills, with minimal supervision. Experience in the commercial, educational, medical and justice fields are a plus. AutoCAD and Revit proficiency is required. The candidate shall possess a professional degree in interior design. Licensed or pre-licensure candidates preferred. LEED Professional accreditation is ideal but not mandatory, however future accreditation will be encouraged.

JOB DESCRIPTION

- The Interior Designer will participate with the project team in the preliminary space planning and interior design for various commercial and residential building types in western United States
- The Interior Designer will lead the project team in the coordination and selection of furnishings, and the preparation of color and material palette boards.
- Develop the interior design documents accordingly for each project phase including: drawings, specifications, renderings/building models and presentation boards.
- Attend client project meetings to present interior design concepts, ideas, furnishings and materials selections, in close coordination with members of the project team.
- Maintain project schedule and budget of the interior design program, will participate with the project team and perform other architectural design duties assigned to complete a project and may assist in the firms marketing efforts.
- The Interior Designer shall be proficient in Autodesk Revit Architecture and Lumion. and have experience using AutoCad, Speclink, InDesign, Photoshop, Powerpoint, Word and Excel.

BENEFITS
